

PTA Budget Meeting  
August 23, 2016, 8:30 am  
HES Cafeteria

PTA President Marquisha Powell started the budget meeting. Ms. Penate interpreted.

Powell explained that the budget format has changed this year to a categorical budget with larger categories. This was done to allow more flexibility to spend money within broader categories, rather than having strict line items.

Powell reviewed the amount of cash in the budget when the fiscal year started, the expected expenses this year, and expected income from fundraising efforts.

After discussion, Kevin Blackerby made a motion to vote on the budget, and Heather Roymans seconded. The vote was taken by raising hands and all votes were in favor of adopting the budget.

The budget was adopted, and the meeting was adjourned.
